

Guide to Giving & Getting Involved

PARKWAY CHRISTIAN

2024-2025 SCHOOL YEAR

CHRIST • CHARACTER • COMMUNITY

"Train up a child in the way he should go, even when he is old he will not depart from it." -Proverbs 22:6

ABOUT THIS GUIDE

The core values of Parkway Christian School are Christ, Character and Community. Here at Parkway, we consider each family an important part of our community. The partnership between school and home allows families and educators to work together to promote intellectual excellence and good character in a faith based environment.

Within this relationship, you play an integral role in the education of our students. First and foremost, you are the primary role model for your own children at home, teaching them what it means to be a part of a thriving community and what their responsibility to that community is. We encourage you to get involved and to engage at Parkway. The pages within this guide detail various ways that you can do so, not just impacting your own family but the families and students within our entire Parkway community, as well as the many outreach organizations we support.

We value all types of involvement, from sharing your time and talents, to coming alongside us in prayer, to giving financially. All are important and make Parkway the special place that we have come to know and love.

Thank you in advance for your commitment to be an active member of the Parkway Christian School community. Your involvement helps us to continue to live out our core values of Christ, Character and Community.

WELCOME

GIVING

Parkway Christian School offers multiple giving opportunities throughout the school year. Funds raised outside of tuition and fees directly impact our greatest assets - our students and teachers. Parkway is able to keep tuition low due to the generosity of its families and the surrounding community.

FAQ

MY FAMILY ALREADY PAYS TUITION & CAPITAL AND ENROLLMENT FEES. WHY SHOULD WE PARTICIPATE IN THE SCHOOL'S FUNDRAISING EFFORTS?

Your gift supports the "extras" that make PCS so special: educational resources that many public schools simply can't afford, up-to-date technology, better security measures, flexible seating, and exceptional offerings in everything from the Arts to Athletics. Gifts are necessary because tuition does not cover all the "extra" opportunities your child receives.

WHY NOT JUST RAISE TUITION?

Simply increasing tuition would eventually make PCS unaffordable for many families. We strive to be a community of learners who are diverse in many ways. It's actually less expensive for families to meet this cost of education by giving a tax-deductible gift.

HOW MUCH SHOULD I GIVE?

We ask each family to participate at a level appropriate for that family's unique financial circumstances. All we ask is that you give no more or no less than you are able. Every gift, regardless of size, is important to this effort and helps support the school in essential ways. We strive to have participation from 100% of current PCS families.

DOES MY CONTRIBUTION REALLY MAKE A DIFFERENCE?

Yes! Each gift is an endorsement for Parkway Christian School and has a much broader impact than its financial support alone. Our accreditation organization, FCIS, looks at giving participation as a key indicator of satisfaction. If our parent community stands behind the school, other organizations will more likely deem PCS more deserving of their support as well.
